- NO PETS allowed in the school.
- Students MUST cross the street in the crosswalk area. NO PARKING in crosswalk area.
- Persons volunteering in the school or driving students MUST have a criminal record check (within one year) on file at the school office.

Principal's Message

Welcome to the 2018-2019 school year at Notre Dame School. We are very pleased to have you and your children with us this year. I would like to extend a special warm welcome to our new students and families joining our school community.

We have a few staff member changes this year and a few that carry over from last year. Mrs. Bidart returned in January after a maternity leave and continues teaching PreK. Miss Mackenzie, who joined us in January, will be teaching Grade 1. Mrs. Iverson will return to the role of Student Support Services for this year. As well, we would like to welcome Mrs. Loepky who will be the Grade 4/5 Teacher and Mrs. Yockey who will be our Vice-Principal.

This year, the monthly newsletter and calendar will be emailed to families at the beginning of each month. As well, it will also be posted on the Notre Dame School Facebook page. During the year, additional information will be emailed to the email addresses or texted to the cell numbers set up on SwiftK12. If you are not receiving these emails or texts, please check your email address and cell numbers on SwiftK12 or contact the school office. If your family would like a paper copy of the newsletter and calendar, you can contact Mrs. Baer, our school secretary.

As a staff, we are excited for the start of the new school year and look forward to the opportunities the year will present to us. As a Catholic school, our faith and the teachings of Jesus Christ will guide us on our endeavor. If you have any questions, comments or concerns, please contact us. Best wishes and prayers for a happy and successful school year.

HELLO SCHOOL YEAR 2018-2019

I cannot imagine that the summer is over. I hope that everybody had enjoyed your own holidays. We now have to go back to the routine of the school year. But first and foremost we have to say 'a big thank you' to God for having given us a great summer holiday.

We are now stepping into another new school year of 2018-2019. I believe that all of you are ready for it. It means that you sure are excited for everything especially seeing each other again; more than that we are getting into a higher level of study. I think that things are not easy for us all the time; but I think that challenges always make us progress as long as we are willing to accept them with our own good efforts. I truly believe that you all can do it.

I won't forget to welcome new students to our school this year. We all warmly welcome them with our friendliness and hospitality. It is also a good chance for you to make friends with them. It is greatly wonderful for us to accompany together on the journey of discoveries of the world around.

I pray to God that you all will have a very successful year of study and God bless you all.

Fr. Cuong Luong

SwiftK12 Communication

A printout of the contact information entered for Swiftk12 will be sent home with all students. Please review the information and follow the steps to make any necessary changes. We will be using SwiftK12 to send communications such as newsletter, calendars and information notes through emails or texts. To ensure you receive your emails or texts the school will be sending out during the school year, please make sure your email address and cell number is correct. If you are unable to make the necessary changes, please contact Mrs. Baer at the school office.
